Hi Lorena -

Question on the trolley route this year - we will have a vessel at B46, but it will not be open to the public and tours there will be few and on a schedule. Additionally, we will not be parking our guests out that way. However, the Lane Victory is open and there will be some crew aboard the vessel at B46. So the question is - do you want to still run the trolley out that way? My instinct is no, the benefits are few. We were thinking that the sailors could walk up to 22<sup>nd</sup> Street and catch the trolley there - what do you think??

Thanks!

~Theresa
